COMPETITION FORMAT	Competitions consist of Qualifications, Semi-Finals (Speed only) and Finals. The score from Qualification will not be carried forward. All runs, also the Finals, start from 0 points.

Speed

Speed competitions will be organized on two parallel lanes.

At each event, the FIG Technical Delegate (in consultation with the CJP) will designate lane numbers.

Speed Qualifications

The starting order for the first run of Qualification will be determined by a draw. An intermediate ranking list is established at the end of the first run.

The final ranking list of the Qualification will be established at the end of the second run. In case of a tie at any place, the tie-breaking rules set out in art. 4.1 apply.

Speed Semi-Finals (max 3 per NF)

Knock-out competition format

The top athletes from the final ranking list of the Qualification participate in the Semi-Finals. No second run is possible.

In case of a tie at any place, the tie-breaking rules set out in art. 4.1 applies

The highest ranked athlete faces the lowest ranked athlete, and the loser of that race is excluded from advancing to the final. Another example, the athlete ranked 2nd faces the 2nd to last athlete from the Qualification and so on for each athlete to be matched against the appropriate competitor. The loser of each race is excluded from advancing to the final.

Qualifications	**11 or less athletes**	**12-19 athletes**	**20 athletes or more**
Semi-Final No wildcard	No Semi-Final	8 best times from Qualification	16 best times from Qualification
Running Order Semi-Final		4th versus 5th 3rd versus 6th 2nd versus 7th 1st versus 8th	8th versus 9th 7th versus 10th 6th versus 11th 5th versus 12th 4th versus 13th 3rd versus 14th 2nd versus 15th 1st versus 16th
Finals	6 best from Qualification	6 total 4 from Knock-out + 2 next best times overall from Semi-Final	10 total 8 from Knock-out + 2 next best time overall from Semi-Final
Running Order Final		5th versus 6th 3rd versus 4th 1th versus 2nd	9th versus 10th 7th versus 8th 5th versus 6th 3rd versus 4th 1th versus 2nd

Note: One wildcard athlete to be added for host country in the semi-final if they do not qualify. If a wildcard is added an extra athlete will be added, based on next best

time outside of the qualifiers to prevent a solo run. The wildcard athlete must be the highest ranked athlete for that country from the Qualification. See below:

Qualifications	11 or less athletes	12-19 athletes	20 athletes or more
Semi-Final with wildcard	No Semi-Final	10 total 9 best times from Qualification + 1 wildcard	18 total 17 best times from Qualification + 1 wildcard
Running Order Semi-Final		5th versus 6th 4th versus 7th 3rd versus 8th 2nd versus 9th 1st versus 10th	9th versus 10h 8th versus 11h 7th versus 12th 6th versus 13th 5th versus 14th 4th versus 15th 3rd versus 16th 2nd versus 17th 1st versus 18th
Finals	6 best from Qualification	6 total 5 from Knock-out + 1 next best time from Semi-Final	10 total 9 from Knock-out + the next best time overall from Semi-Final
Running Order Final		5th versus 6th 3rd versus 4th 1st versus 2nd	9th versus 10th 7th versus 8th 5th versus 6th 3rd versus 4th 1th versus 2nd

In case of a tie at the 6th rank for the Final, the tie-breaking rules set out in art. 4.1 apply. Three reserve athletes will be able to warm-up for the Semi-Final and Final rounds. If a reserve athlete replace a participant he will take the last qualified place. If 3 athletes from the same NF finish in the top 6 places, the one with the slowest time is eliminated from qualifying for the final. The best 2 athletes from the same NF qualify, and all others advance one place in the new start list for the Final.

Speed Finals (max 2 per NF)
The top six or ten athletes (depending on competition size) from the final ranking list of the Qualification or the semi-finals participate in the Final.
In the final round, the athletes run by pairs (see table above). The final ranking is based on the time (no knock out).
In case of a tie at any place, the tie-breaking rules set out in art. 4.1 apply.

Freestyle Qualifications
The starting order for the first run of Qualification will be determined by a draw.
The runs of 20 to 45 seconds, are judged based on the criteria defined in the Code of Points.
In case of a tie at any place, the tie-breaking rules set out in art. 4.2 apply.

Freestyle Finals (max 2 per NF)
The top eight athletes from the final ranking list of the Qualification participate in the Final.
In case of a tie at any place, the tie-breaking rules set out in art. 4.2 apply.
The starting order is established based on the ranking after Qualification with the best athlete starting last.
Should the host country not qualify, they will receive a wildcard for the Final. Therefore, one additional athlete would be added to the final. The wildcard athlete must be the highest ranked athlete for that country from the Qualification.

TIE BREAKING RULES

Tie-breaking rules for the speed ranking
Time is measured in 1/1000th of a second and shown in 1/100th of a second.

If there is a tie, the tie will be broken by using the next digit (1/1000th of a second).
If there is still a tie, the tie will not be broken.

Exception:

To determine the starting order and the pairs in the Final, the ties must be broken by a draw.

Tie-breaking rules for the freestyle ranking

In case of a tie in points at any place in Qualification and Finals, the ranking will be determined by the following criteria:

1. The higher score for E (Execution)
2. The higher score for D (Difficulty)
3. The average of all judges' scores given for E (Execution), without eliminating the highest and the lowest score
4. The average of all judges' scores given for D (Difficulty), without eliminating the highest and the lowest score

If there is still a tie, the tie will not be broken.

Exception:

To determine the starting order and the pairs in the Speed Final, the ties must be broken by a draw.

For Prize money:

The prize money of the tied ranks will be added and divided by the number of ties.

For World Cup Points:

The World Cup points of the tied ranks will be added and divided by the number of ties.
