*To the Member Federations of
European Gymnastics*

Invitation to the Acrobatic Gymnastics Training Camp 13th to 19th August, 2024 in Kranevo (BUL)

Dear National Federations, dear gymnastics friends,

The European Gymnastics Technical Committee for Acrobatic Gymnastics (TC-ACRO) has the great pleasure to invite interested coaches and athletes of all levels from the European Gymnastics Member Federations to participate in a training camp.

In parallel to the training camp, workshops for coaches will be organised.

PARTICIPANTS

Gymnasts

We expect at least 50 participants with a maximum of 100. Each team must participate with at least one coach (the total number of the coaches depends on the number of the participating gymnasts). Any Federation intending to send more than 10 gymnasts should inform European Gymnastics when applying. In that case, they will be contacted directly for confirmation after the deadline of the registrations, **June 11th, 2024**.

Coaches

Specific courses and workshops will be organised for coaches coming without any gymnasts. Short sequences of workshops for all coaches will also take place before or after the training sessions.

VENUE

The camp will be held from 13th to 19th August 2024 at **Sports and Health Complex Kranevo (BUL)**. For further information about the venue, please visit: <https://en.aqualife-sport.com/> Aqualife is a centre for sports and outdoor activities and is up to the latest world standards. Since 2010, Aqualife has received over 50 000 athletes from different countries. The infrastructure offers everything you need for camps and competitions. Sports facilities have international certificates and are designed for year-round operation. Aqualife is situated in Kranevo village in north-eastern Bulgaria, 24 km from Varna airport and 95 km from Burgas. The village is located on the Black Sea shore between the two biggest Bulgarian resorts, Golden Sands and Albena.

RESPONSIBILITY OF THE COACHES

As most of the gymnasts participating in the training camp are minors, it is important for us to underline that the coach accompanying the gymnasts must take care of their welfare and security and to supervise them at all times, not only during the training sessions.

LANGUAGE

The training camp and workshops for coaches will be held in English.
